October 8, 1960

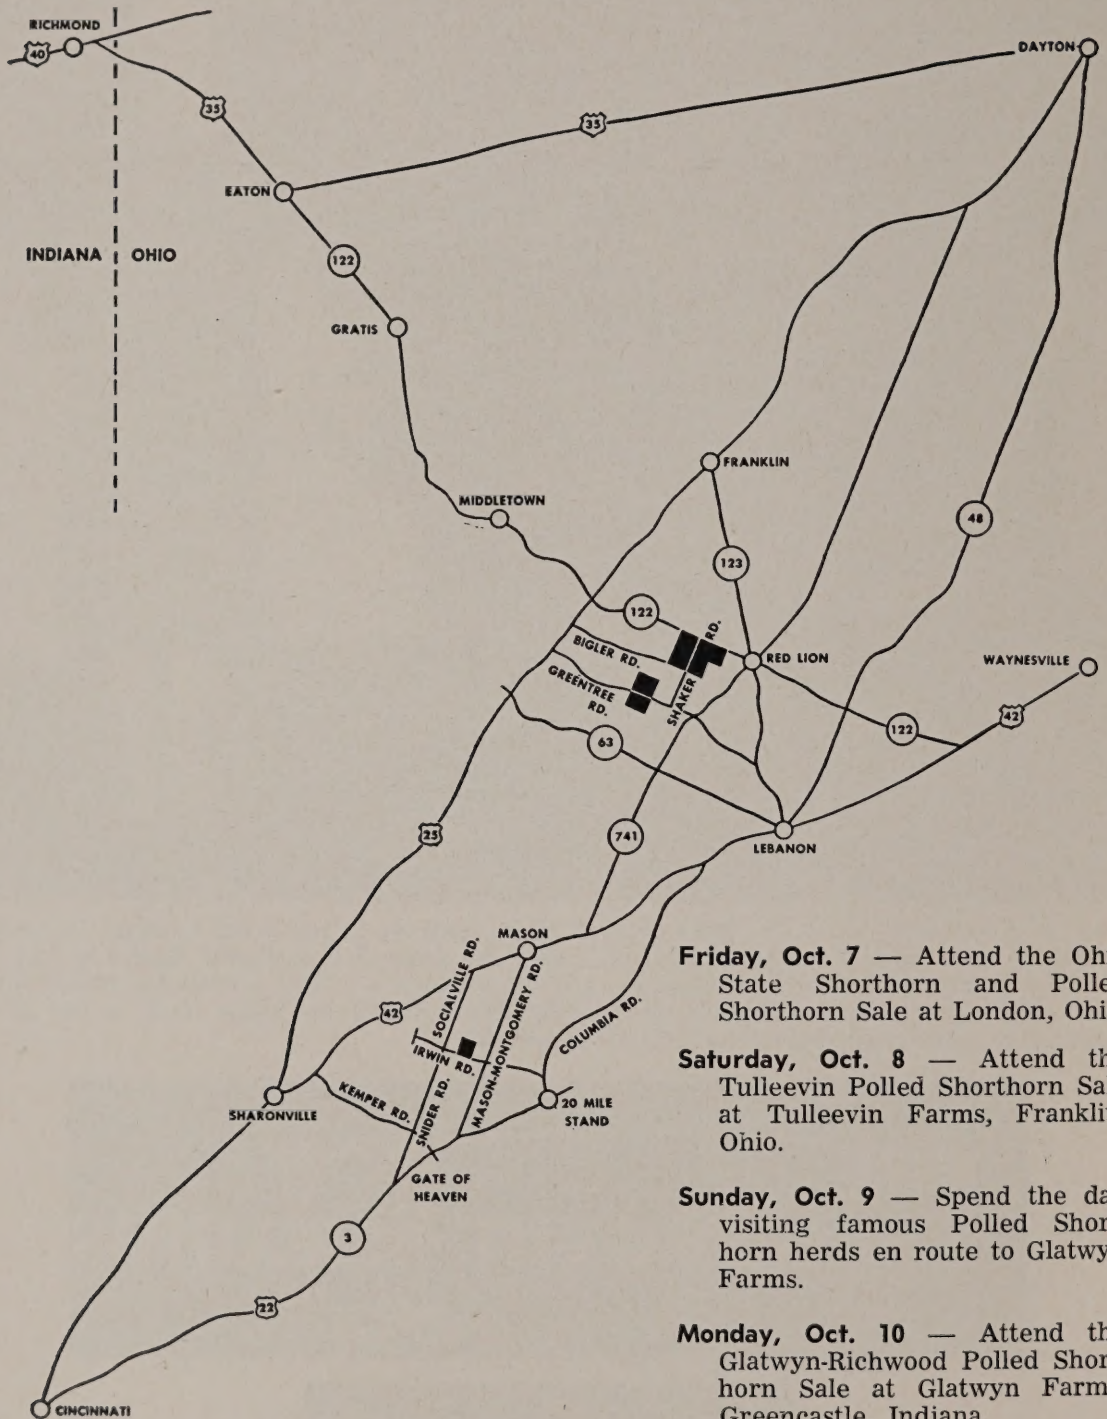

Mrs. D. J. O'Connor, Jr. (Katy), wife of D. J. (Dan), partner in the great herd at Tulleevin Farms, is an important part of the firm. Here she poses **T F Butterfly Queen x**, daughter of the International grand champion L F Fascination x. This sensational heifer won first prize as a junior heifer calf at the 1958 International and came back to win first prize as a junior yearling at the 1959 International.

THIRD ANNUAL SALE

Here's the way to get to Tulleevin Farms . . .

Friday, Oct. 7 — Attend the Ohio State Shorthorn and Polled Shorthorn Sale at London, Ohio.

Saturday, Oct. 8 — Attend the Tulleevin Polled Shorthorn Sale at Tulleevin Farms, Franklin, Ohio.

Sunday, Oct. 9 — Spend the day visiting famous Polled Shorthorn herds en route to Glatwyn Farms.

Monday, Oct. 10 — Attend the Glatwyn-Richwood Polled Shorthorn Sale at Glatwyn Farms, Greencastle, Indiana.

A Polled Shorthorn trip you will always remember.

150 head of the best Polled Shorthorns in the world will sell in these three important auctions.

Tulleevin Countess A 1 x (not selling). She was the first prize junior yearling at the 1958 International, reserve grand champion at the Ohio State Fairs in 1958 and 1959, and grand champion in horned competition at the Mid South Fair, Memphis. Sire, S & G Admiration x. Shown with her are Charles South, D. J. O'Connor, Jr., Robert House and Stephen South.

THIRD ANNUAL SALE

at Tulleevin Farms, Franklin, Ohio

SATURDAY, OCTOBER 8, 1960

10 outstanding herd bull prospects

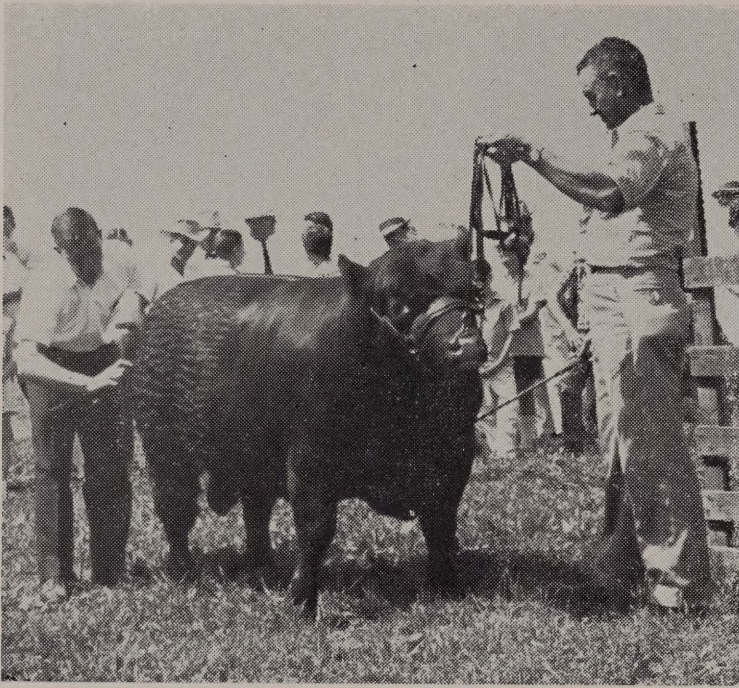

37 herd improving females

15 very good club calves

**AT THE
ALERT
BREEDERS'
CONFERENCE**

Held at Tulleevin Farm on June 19th under the direction of Jim Browitt, Eastern fieldman, American Shorthorn Association, Tulleevin Polled Shorthorns were used for class work in management practices. At the left, Instructor Don Hutzel of Acadia Farms, shows how to dress up a bull for the show. He picked a good bull for the demonstration, Tulleevin Colossus x, son of L F Fascination x.

Picture at the right shows a rear-side view of Tulleevin Colossus x.

Below — Les Mathers, Leveldale Farms, covers an important topic . . . "Teach them to walk properly." A pair of blocky, thick daughters of L F Fascination are used in the demonstration.

We look
forward to
seeing our
friends - -

Welcome to Tulleevin Farms! We like to have lovers of Polled Shorthorns gather in our barns and paddocks to appraise what we are doing. The Tulleevin owners and Tulleevin cattle made many new friends when over 400 good farm folks attended Jim Browitt's very interesting "Alert Breeders' Conference" at our farm in June. We hope to make many more new friends for ourselves and our cattle on the occasion of our Third Annual Sale on October 8th.

We approach this sale with a feeling of pride. Admitting that our aims were rather high when the present Tulleevin Herd was established four years ago, we feel that the accomplishments have been sufficient to prove that we have traveled in an upward direction. At the outset our hopes were based on what could be done through a program of blending the blood of two bulls. Both of them had been blessed with the perfection of form and quality sufficient to win International grand championships. S & G Admiration x has now gone to his reward but his influence, through daughters retained, is great. L F Fascination x is still going strong and his get and service will be the feature of this sale. Nine bulls and 18 heifers are by him and 15 other females have his calves at foot or are in calf to him. As our cow herd has improved, each succeeding crop of calves by him has shown improvement. We point only to the public show ring records as proof that his calves are of uniformly high quality.

We are proud of winning the award of "Premier Breeder" for the second consecutive year at the 1960 Illinois State Fair. We are proud of the reports we receive from breeders who have bought the cattle in our two former sales. And we are proud in the knowledge that our third sale offering will reflect the continuous improvement of the Tulleevin Herd. It is our hope that you will feel inclined to take advantage of the blood that has brought about this improvement to further your own position in the industry.

Whether you come to buy or simply to learn more about the most useful breed of cattle on earth, you can be certain of a hearty welcome.

D. J. O'Connor, Jr.

Charles South

These eight sons and daughters of our herd bull, L F prizes, a junior and reserve grand championship and tional.

General Information - - -

Time and Location: This sale will be held at 12:30 p.m. Eastern Standard Time on October 8, 1960 in our heated sale pavilion at Tulleevein Farms, at Franklin, Ohio. The farm is located on State Road 122, eight miles East of Middletown, Ohio. The location is midway between Dayton and Cincinnati and there are airports at each of these cities. Frequent buses run between these two points or we will gladly meet sale day guests in either city if advance notice is given.

Headquarters: Since visitors will be driving to the sale from various directions, we will give a choice of stopping points. We highly recommend the following:

Downtown Motel, 115 North Broadway, Lebanon, Phone 2-1766.

Lebanon Motel, 3 blocks South on U. S. 42, Lebanon, Phone 3-2776.

Golden Lamb Inn, 27 South Broadway, Lebanon, Phone 4-2015.

Manchester Hotel, Manchester & Broad, Middletown, Phone Garden 2-5481.

Transportation: Those coming by train or plane should route themselves either through Cincinnati or Dayton. We will be glad to meet sale guests in either city if notified in advance.

Buying Orders: Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois.

H. W. Walker, Eastern Representative, The Shorthorn World, 3906 East 71st Street, Indianapolis, Indiana.

James Browitt, Eastern Fieldman, American Shorthorn Association, 212 Koster Street, Lexington, Kentucky.

Joe Gossard, Corn Belt Dailies, Union Stock Yards, Chicago, Illinois.

Auctioneers: C. D. Swaffar and Ned W. Place.

Sale Manager: Hal Longley, 16 South Locust Street, Aurora, Illinois.

The telephone number at Tulleevein Farm is Lebanon, Ohio 3-1119.

This will be the Third Annual Sale of Tulleevin Polled Shorthorns and those who attend will note a great improvement in quality over earlier sales. The owners are deserving of congratulations on the strides they have made since strong herds maintained at Landen Farms, Tulleevin Farms and the South & Gallaher Farms were combined to form today's great Tulleevin Herd. The steady use of International grand champion sires, along with a continuous culling and replacement program, has resulted in uniformity of good type throughout the entire herd. Proof of this uniformity may be found in the show rings of the past two years where Tulleevin calves in the group classes have captured highest honors.

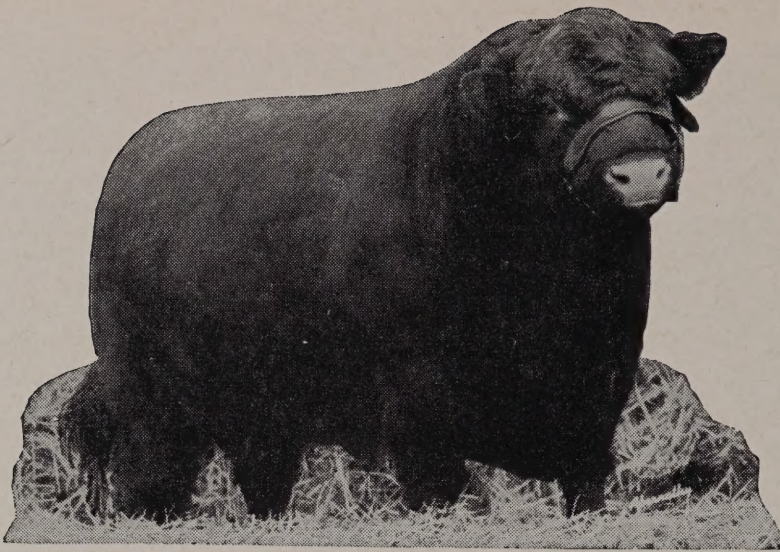

The wonderful improvement is reflected in the 1960 sale cattle, nearly all of which were bred by Tulleevin and two-thirds of which were sired by the 1954 International grand champion L F Fascination x. To observe today's calves and yearlings by this famous bull, all remarkably alike in type and quality, brings one to the conclusion that no sire in the history of the breed has been more successful in passing to his offspring the perfection of form and fleshing that brought him championship honors at North America's greatest show. Even more important is the fact that his sons have been in service long enough to prove their ability to carry on the great work of their sire.

This sale comes on the heels of a great victory at the Illinois State Fair, opening show of the season. For two years in a row, 1959 and 1960, Tulleevin has won the high honor of "Premier Breeder," an award based on the uniformly high quality of an entire show herd. The cattle to be offered in this sale are the kind that might be expected from a herd capable of winning such a high honor.

There is plenty of proof that those who bought in former Tulleevin sales got a lot for their money. In my opinion, those who buy from this sale offering will get much more for their money. With a wealth of good breeding behind each animal, big breeders, small breeders or beginners may buy with a feeling of safety.

Proof of Tulleevin's uniformly high quality

Tulleevin's wonderfully uniform tea head group at 1959 International Live Stock Show. Eight of them were sired by the International grand champion L F Fascination x. This same picture appears on the covers of this catalog.

(Right) — Second prize junior get-of-sire, 1959 International for Tulleevin were these three by L F Fascination x. Left to right: **Tulleevin Colossus x**, **TF Orange Blossom x** and **TF Butterfly Queen x**. They were first at Illinois and Indiana State Fairs, second at Ohio.

(Left) — Left to right: **Tulleevin Minia x**, **TF Roan Lady x**, **Tulleevin Colossus x**, **TF Butterfly Queen x**, Tulleevin's senior get-of-sire, all by LF Fascination x. The two heifers at the left will sell in this sale. See Lots 11 and 12.

L F Fascination x — He won the International grand championship in 1954 and his calves have been winning top honors each year since. At the 1956 International, his sons and daughters won seven first prizes, three second prizes, a junior and reserve grand championship and a reserve junior championship. At the 1957 International, a daughter was grand champion sale female and top selling polled female. Another daughter was senior and reserve grand champion of the open show while still another daughter was reserve junior champion. At the 1958 International, daughters won first prizes in the junior yearling and junior calf classes. At the 1959 International, a daughter was first prize junior yearling and three of his calves won first prize for junior get-of-sire. At the 1959 and 1960 Illinois State Fairs, his calves made it possible for Tulleevin to win the coveted "Premier Breeder" award.

S & G Prince Charles x -- This son of the International grand champion S & G Admiration x was in our show string in 1956 and 1957. As a senior yearling he won first at the Ohio State Fair, first at Harrisburg, Pennsylvania, and second at the Eastern National Exposition in Maryland in horned competition. It was our intention from the outset to retain him for herd use but we were persuaded to offer him in our 1958 sale where he was purchased at \$3,000 by Dalgety & Co. as agents for W. H. Brown, Weldon Downs, North Canterbury, New Zealand. Letters from the owners give glowing accounts of his success. We retained rights to use frozen semen from him. Two heifers in this sale are by him and several others are carrying his calves.

The Bull To Watch!

TULLEEVIN COLOSSUS x
Snapshot photo — taken in June, 1960, at the "Alert
Breeders' Conference."

After L F Fascination x won his grand championship at the 1954 International Live Stock Exposition he was returned to active service. Soon his sons began to make names for themselves in the show rings and as sires. Realizing that one of them must be held back to someday succeed this famous sire in our own herd, we watched with care. The calf we were waiting for arrived on September 21, 1958. His name is **Tulleevin Colossus x**. His dam, bred at Hi Ho Farm, is a granddaughter of the famous imported cow Kair Gold Bud that has made such a sensational record in the Mathers herd.

Tulleevin Colossus has not been exhibited extensively as yet. Without high fitting he stood third in the strong class of senior bull calves at the 1959 International. He will be out at late summer and fall shows this year although reports of his successes will be too late for this catalog. He is pictured in numerous places in this catalog and we ask that you note his perfection of form when observed from any angle.

Tulleevin Colossus is a truly great bull, fully capable of carrying on the work of his internationally famous sire. We want you to see him on sale day and we call your special attention to four heifers in the sale that will carry his service.

Terms and Conditions...

GUARANTEE: The Tulleevin Herd is certified for Bang's Disease and fully accredited for Tuberculosis. All cattle will be sold under the standard guarantee adopted by the American Shorthorn Breeders' Association, copy of which appears elsewhere in this catalog. As an added incentive, Tulleevin Farms agrees to guarantee every animal in this sale to be a breeder regardless of age at the time of sale.

Shipment will be made as soon as possible after the sale. Cattle will be at owner's risk when sold but every care and attention will be given until shipment is made. To avoid confusion, at the time of settlement, hand shipping instructions to clerk, also information as to whom pedigree should be transferred.

All transactions under the above guarantee will constitute a contract between Tulleevin Farms and the buyer of each lot. Neither the sale manager nor the clerk nor the auctioneers assume any liability for the contract or the fulfillment of guarantees.

LIABILITY: Although every precaution will be exercised to protect the safety and comfort of guests at the sale, neither Tulleevin Farms nor any of their employees, nor auctioneers, nor clerks, nor sale manager can assume any liability for accidents.

TERMS: The terms of this sale are cash. All settlements must be made with the clerk before cattle are moved. Health certificates will be issued on sale day by a representative from the office of the Ohio State Veterinarian.

"PREMIER BREEDER"

Illinois State Fair -- 1959-1960

The winner of this high honor for two successive years was Tulleevin Farms. It's an award based on the general excellence and uniformity of type of ALL MEMBERS of a show herd bred by the exhibitor. Along with this high award, the following prizes were won by Tulleevin Farms on sons and daughters of the International grand champion L F Fascination x:

First prize junior bull calf

First prize summer yearling heifer

First prize pair of yearlings

Second prize junior yearling bull

Second prize junior yearling heifer

Second prize senior heifer calf

Second prize pair of calves

Second prize get-of-sire

FLASH! Three different animals have been used in our pair of yearlings that won first at Illinois, Indiana and second at Ohio. All three are included in this sale. See Tulleevin Minia (Lot 11), Tulleevin Dash (Lot 2) and Tulleevin Duplicate (Lot 4).

Facts you should know about this sale..

- 9 sons of L F Fascination x will be offered.
- 18 daughters of L F Fascination x will be offered, 9 of them bred, 9 open.
- Many other females will carry the service of L F Fascination x.
- Six members of our winning 1960 show herd will sell.
- Never in the history of the Polled Shorthorn breed has so much of the blood of International grand champions been offered in one sale.

ATTENTION . . . Junior Club Members

Approximately 15 very good club calves will be available on the day of this sale. They will be sold by auction at the opening of the sale. Be sure to be there when these calves are offered at 12:30 p.m., Eastern Standard Time.

NOTE . . . We will help truck your purchases.

To make it easier for you to get your cattle home, we have made the following arrangement with the owners of the cattle selling in the Glatwyn-Richwood Sale:

The Tulleevin Sale will be held on Saturday, October 8th. The Glatwyn-Richwood Sale will be held on Monday, October 10th. Tulleevin will have a big truck at the Glatwyn-Richwood Sale. Clodfelter and Richardson have agreed to have a big truck at the Tulleevin Sale. Under this arrangement, on any cattle you buy in **EITHER SALE**, you can take delivery either at Glatwyn Farm, Greencastle, Indiana, or Tulleevin Farm, Franklin, Ohio.

IMPORTANT . . . Regarding the health of Tulleevin cattle.

The Tulleevin Herd is Bang's Certified and TB Accredited. A representative from the office of the Ohio State Veterinarian will be at our sale ring to issue proper interstate health certificates.

Tulleevin Charter x — A very good bull with a very strong pedigree. His sire, an International grand champion, was sired by an International grand champion. His dam is a daughter of Oakwood Grand Duke, he by the noted imported Gosshall Ximenes, a son of a Perth champion. The senior heifer calf in our 1960 show herd, winner of second prize in the strong class at the Illinois State Fair, is a full sister. Here is a very good headed bull, deep, wide, well grown and ready for heavy service.

Tulleevin Duplicate x — The junior yearling bull from our show herd and winner of second prize in the strong class at the 1960 Illinois State Fair. His Rosewood dam, a daughter of Collynie Commander x, one of our best producing foundation females, was purchased in the 1953 Ohio sale where she was second in class to the champion female. One of her daughters was a winner in our 1957 show string and two other daughters of this cow have been retained in the herd. Our 1960 junior bull calf is also descended from this cow. Deeply polled, this bull should be a sure dehorner.

Tulleevin Decree x — His sire, Tujays Royal Oak x, the outstanding show bull that is owned jointly by Tulleevin and Tujays Farm, is bred very much like Carona Fascination x, the sire of L F Fascination x. The dam of Tulleevin Decree is the first daughter of the famous L F Lavender Lady x, reserve grand champion female at the 1958 International Livestock Show, she a daughter of L F Fascination x.

Our first prize females at the 1959 Ohio State Fair. Left to right: Tulleevin Countess A-1 x, reserve grand at Ohio, first at Indiana; Tulleevin Butterfly Queen x; T F Roan Lady; and Tulleevin Minia x. All by L F Fascination x. The heifer on the right sells as Lot 11.

About the cattle in this sale

This is largely a herd production sale and we are pleased that we can offer quality much higher than in our two former sales. Forty-one head are of Tulleevin breeding and 27 of these are sons and daughters of the International Grand Champion L F Fascination x. We have always felt that some time during the young and active years of this famous sire, we wanted to hold one sale that would feature in its entirety his get and service. **THIS IS THE SALE.** We feel it only fair to serve notice that we intend to fill our own herd with his daughters and that we cannot offer them in such liberal numbers in later years. In view of the improvement his calves have worked in the Polled Shorthorn breed, we urge those who know and appreciate the value of this blood to attend **THIS** sale. We hope you will arrive early for a leisurely inspection of the entire Tulleevin Herd.

(Left) **Tulleevin Bravado x** — Purchased at 10 months of age in our 1958 sale at \$1,000 by Wilmer Good & Son, Mulberry, Indiana. He is out of the same dam as Lot 11.

Tulleevin Minia x — Probably the best daughter of L F Fascination x that has ever been offered. She was the first prize junior heifer calf at the 1959 Ohio State Fair and was a member of the first prize junior get-of-sire at the 1959 Illinois and Indiana State Fairs, a group that also won second prize at the 1959 International. In her junior yearling form she seems better than ever and stood second in a strong class at the 1960 Illinois State Fair. She is in calf since June 20 to Tulleevin Colossus x, the sensational son of L F Fascination x that heads our 1960 show team.

T F Roan Lady x — We don't like to part with such excellent heifers. This daughter of L F Fascination x stood first at Ohio and second at the Illinois State Fair in 1959. In her senior yearling form she is better than ever and stood third in a strong class at the 1960 Illinois State Fair. We are proud to offer her kind. Sells bred May 27, 1960, to Tulleevin Colossus x, the best bull we have ever produced.

Tulleevin Farms . . . where good blood and clean, healthy surroundings are blended to produce Polled Shorthorns that perform properly.

We call your attention again to the following important sales in which a total of 150 head of outstanding Polled Shorthorns will be offered:

Friday, October 7 — Ohio Shorthorn and Polled Shorthorn Sale, Fair Grounds, London, Ohio.

Saturday, October 8 — Tulleevin Farms Production Sale, at the farm, Franklin, Ohio.

Monday, October 10 — Glatwyn-Richwood Sale at Glatwyn Farms, Greencastle, Indiana.

Pictures speak louder than words. The many pictures in this catalog are a clear indication that Tulleevin Polled Shorthorns are of the type and quality that will carry the breed forward. To insure progress and premium prices for future productions, investments are safe only if each foundation animal is backed by the correct combination of **individuality and pedigree**. Students of the breed will note that nearly every animal in this sale is a descendant of an International grand champion, a Perth Supreme Champion, or both. You may buy them with perfect confidence.

We call your attention again to the Club Calves we will offer. The owners of Tulleevin Farms have a keen interest in the activities of 4-H Clubs and each year make available a liberal number of calves highly suited for junior feeding projects. Approximately 15 club calves will be offered on the day of this sale. They will be sold by auction at the opening of this sale. We urge all juniors to arrive early. Look them over early and be ready to buy starting at 12:30 p.m., Eastern Standard Time.

Standard Guarantee

ENDORSED BY

AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

Calfhood vaccination is practiced regularly at Tulleevin Farms and every effort is made to guard the health of the animal. Each animal in this sale has complied with the health regulations of the State of Ohio and health certificates on sale day will be issued by an authorized representative of the Ohio State Veterinary Department.
